Master's Accelerated Program (MAP) Referral Form

Student Name:	Aggie ID Number:	Email:
Undergraduate College:	Anticipated Graduate Major:	
Dual Degree:	**Graduate Only:**	

Submission Deadline:

This form *should* be completed and submitted to the Graduate School by the end of the semester BEFORE the student takes their first requested Graduate level course. The submission *deadline* is the **FIRST FRIDAY OF CLASS** of their first Graduate level course.

Registration requirements

1. **This program is only applicable if the student has not completed a bachelor's degree.**
2. The student is required to have a cumulative GPA of 2.75 and must be classified as a junior or senior (Some department requirements may exceed these GPA standards).
3. Undergraduate students interested in MAP should consult with their anticipated Master's program department head or MAP advisor to determine what undergraduate or graduate-level courses are part of the MAP. Students can contact the Graduate School for information about MAP programs outside of their current Department.
4. The student must meet with their financial aid advisor, if they receive financial aid, as financial aid awards may be adjusted.
5. The students are responsible for course registration and must obtain the appropriate signatures if the course is closed or requires instructor approval.
6. Students accepted into MAP must participate in the Developing New Scholars Program (DNSP), offered by the Graduate School and Honor's College. The DNSP purpose is to create access for success in graduate education by providing guidance and mentoring.
7. Before submitting the MAP form to the Graduate School, the following signatures must be obtained: the anticipated MAP advisor or Department Head and Financial Aid Advisor, if applicable.
8. Graduate School will confirm the student's classification, cumulative undergraduate GPA, and cumulative hours earned. Upon the awarding of the Bachelor's degree and if the student receives admissions into the master's program; the following approved 12 graduate credit hours will be assigned a graduate-level and applied towards Masters-level studies.
